

Bible Reading Plan for 2008-9

By following this plan, your family will read through the Bible in 3 years. Each week's portion can be divided into 7 daily readings of 1-2 chapters. Your student will be held accountable for 5 daily readings. Please feel free to use this reading as the basis of your family devotions! Also, emphasize to your students that we are reading in order to build your relationship with God and build a foundation for a Biblical worldview.
